Contents

Foreword .................................................. 1

Executive Summary ................................. 5

East Asian Countries Among the Top-performers in TIMSS 2011 .......... 6
More Increases Than Decreases, Particularly at the Fourth Grade .......... 7
Trends at TIMSS International Benchmarks .................................... 8
High Percentages of East Asian Students Reach TIMSS International
Benchmarks ................................................................................. 9
More Countries Demonstrate Relative Strength in Knowing Science Than in
Applying Scientific Knowledge or Reasoning ................................. 10
Home Resources Strongly Related to Science Achievement .................. 10
Successful Schools Tend to Be Well-resourced ................................. 11
Successful Schools Emphasize Academic Success and Have Safe
and Orderly Environments ......................................................... 13
Teacher Preparation and Career Satisfaction Related to Higher Science
Achievement .............................................................................. 16
Students with Positive Attitudes Toward Science Have Higher Achievement,
but Attitudes Less Positive at the Eighth Grade ............................... 17
More Time for Science Instruction in Countries Teaching Science as
Separate Subjects ....................................................................... 19
Engaging Instruction Related to Higher Science Achievement .......... 19
Science Teachers Emphasizing Science Investigations ....................... 20
Instruction Affected By Students Lacking in Basic Nutrition and Sleep .... 21

Introduction ................................................ 23

Countries Participating in TIMSS 2011 ........................................... 24

Exhibit 1 Countries Participating in TIMSS 2011 ................................ 25
The TIMSS Trend Assessments in Mathematics and Science .............. 26
New Policy Relevant Context Questionnaire Scales ............................ 26
The TIMSS 2011 Science Assessment ............................................ 27
Quality Assurance ...................................................................... 29
TIMSS 2011 Reports ................................................................... 29
Chapter 1. International Student Achievement in Science

Science Achievement Across Countries

Exhibit 1.1 Distribution of Science Achievement, Fourth Grade
Exhibit 1.2 Distribution of Science Achievement, Eighth Grade
Exhibit 1.3 Multiple Comparisons of Average Science Achievement, Fourth Grade
Exhibit 1.4 Multiple Comparisons of Average Science Achievement, Eighth Grade

Trends in Science Achievement

Exhibit 1.5 Trends in Science Achievement, Fourth Grade
Exhibit 1.6 Trends in Science Achievement, Eighth Grade
Exhibit 1.7 Trends in Science Achievement – 1995 Through 2011, Fourth Grade
Exhibit 1.8 Trends in Science Achievement – 1995 Through 2011, Eighth Grade

Gender Differences in Science Achievement

Exhibit 1.9 Relative Achievement of 2007 Fourth Grade Cohort as Eighth Grade Students in 2011
Exhibit 1.10 Average Science Achievement by Gender, Fourth Grade
Exhibit 1.11 Average Science Achievement by Gender, Eighth Grade
Exhibit 1.12 Trends in Science Achievement by Gender, Fourth Grade
Exhibit 1.13 Trends in Science Achievement by Gender, Eighth Grade

Chapter 2. Performance at the TIMSS 2011 International Benchmarks

Exhibit 2.1 TIMSS 2011 International Benchmarks of Science Achievement, Fourth Grade
Exhibit 2.2 Performance at the International Benchmarks of Science Achievement, Fourth Grade
Exhibit 2.3 Trends in Percentages of Students Reaching the International Benchmarks of Science Achievement, Fourth Grade
Exhibit 2.4 Description of the TIMSS 2011 Low International Benchmark (400) of Science Achievement, Fourth Grade
Exhibit 2.5 Low International Benchmark – Example Item 1, Fourth Grade
Exhibit 2.6 Low International Benchmark – Example Item 2, Fourth Grade
Exhibit 2.7 Description of the TIMSS 2011 Intermediate International Benchmark (475) of Science Achievement, Fourth Grade
Exhibit 2.8 Intermediate International Benchmark – Example Item 3, Fourth Grade
Exhibit 2.9 Intermediate International Benchmark – Example Item 4, Fourth Grade
Exhibit 2.10 Description of the TIMSS 2011 High International Benchmark (550) of Science Achievement, Fourth Grade
Exhibit 2.11 High International Benchmark – Example Item 5, Fourth Grade
Exhibit 2.12 High International Benchmark – Example Item 6, Fourth Grade
Exhibit 2.13 Description of the TIMSS 2011 Advanced International Benchmark (625) of Science Achievement, Fourth Grade
Exhibit 2.14 Advanced International Benchmark – Example Item 7, Fourth Grade
Exhibit 2.15 Advanced International Benchmark – Example Item 8, Fourth Grade
Exhibit 2.16 Advanced International Benchmark – Example Item 9, Fourth Grade
Chapter 4. Home Environment Support for Science Achievement

Exhibit 4.1 Home Resources for Learning, Fourth Grade
Exhibit 4.2 Components of the Home Resources for Learning Scale, Fourth Grade
Exhibit 4.3 Home Educational Resources, Eighth Grade
Exhibit 4.4 Components of the Home Educational Resources Scale, Eighth Grade
Exhibit 4.5 Students Spoke the Language of the Test Before Starting School, Fourth Grade
Exhibit 4.6 Students Speak the Language of the Test at Home, Eighth Grade
Exhibit 4.7 Parents’ Educational Expectations for Their Children, Fourth Grade
Exhibit 4.8 Students’ Educational Expectations, Eighth Grade
Exhibit 4.9 Students Attended Preprimary Education, Fourth Grade

Chapter 5. School Resources for Teaching Science

Schools with Students from Advantaged Home Backgrounds
Exhibit 5.1 School Location, Fourth Grade
Exhibit 5.2 School Location, Eighth Grade
Exhibit 5.3 School Composition by Student Economic Background, Fourth Grade
Exhibit 5.4 School Composition by Student Economic Background, Eighth Grade
Exhibit 5.5 Schools with Students Having the Language of the Test as Their Native Language, Fourth Grade
Exhibit 5.6 Schools with Students Having the Language of the Test as Their Native Language, Eighth Grade

Schools with Sufficient Facilities, Books, and Technology
Exhibit 5.7 Instruction Affected by Science Resource Shortages, Fourth Grade
Exhibit 5.8 Instruction Affected by Science Resource Shortages, Eighth Grade
Exhibit 5.9 Teacher Working Conditions, Fourth Grade
Exhibit 5.10 Teacher Working Conditions, Eighth Grade
Exhibit 5.11 Schools with Difficulties Filling Vacancies for Science Teachers, Eighth Grade
Exhibit 5.12 Size of School Library, Fourth Grade
Exhibit 5.13 Schools with Computers Available for Instruction, Fourth Grade
Exhibit 5.14 Schools with Computers Available for Instruction, Eighth Grade
Exhibit 5.15 Schools Have a Science Laboratory, Fourth Grade
Exhibit 5.16 School Resources For Conducting Science Experiments, Eighth Grade

Chapter 6. School Climate

Schools Emphasize Academic Success
Exhibit 6.1 School Emphasis on Academic Success – Principal Reports, Fourth Grade
Exhibit 6.2 School Emphasis on Academic Success – Principal Reports, Eighth Grade
Exhibit 6.3 School Emphasis on Academic Success – Teacher Reports, Fourth Grade
Exhibit 6.4 School Emphasis on Academic Success – Teacher Reports, Eighth Grade
Exhibit 6.5 Principals Spend Time on Leadership Activities, Fourth Grade
Exhibit 6.6 Principals Spend Time on Leadership Activities, Eighth Grade

Schools with Discipline and Safety Problems
Exhibit 6.7 Safe and Orderly School, Fourth Grade
